Joining letters on the page. Start with a familiar word *online Quran tuition UK* from the assigned primer. The teacher can point out where one printed shape meets the next without separating the sounds artificially. Try the same task on an unfamiliar word chosen by the teacher. Record which join needed a second look.

Recognising a familiar letter. Ask the tutor to choose a letter the learner already knows and **online quran tutoring uk** show it in more than one position. Give time to look before asking for an answer. Point to a fresh example. Ask which feature gave the letter away and let the tutor check the reasoning.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
