The Magic of the Top Slot

Above the primary money wheel sits the **Top Slot**, a tiny two-reel slot device that spins all at once with the wheel.

1. **Reel 1** displays among the betting choices (a number or a reward game).
2. **Reel 2** screens a random multiplier (varying from 2x up to 50x).

If the horizontal line in the Top Slot lines up a bet with a multiplier, that multiplier uses to that specific result for the upcoming spin. If the primary wheel arrive on that outcome, any wins for that round are increased by the multiplier. If a perk round is triggered with a Top Slot multiplier attached, the beginning multipliers inside the benefit video game are quickly increased by that figure.

Diving Into the Four Bonus Rounds

The real heart of Crazy Time depends on its 4 bonus offer video games. Triggering one of these rounds carries players from the main studio into an unique increased truth mini-game.

1. Coin Flip

The most basic of the bonus rounds. A coin with a red side and a blue side is flipped by a mechanical arm.

- Before the flip, random multipliers are designated to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the taking part players.
- If the multipliers are low, a "Rescue Flip" can often be activated, providing players another chance at greater benefits.

2. Money Hunt

This bonus offer game includes an enormous screen displaying 108 random multipliers concealed behind shooting gallery signs (like a cactus, a target, or a duck).

- Gamers use an on-screen crosshair to intend and shoot at one sign before the timer goes out.
- When time expires, all signs reveal their hidden multipliers, and the player gets the multiplier behind their selected target. Every gamer gets to select their own area, implying various gamers can win various amounts.

3. Pachinko

Influenced by the conventional Japanese arcade game, Pachinko includes a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces arbitrarily down through the pegs until it lands in one of the multiplier zones at the bottom.
- If the puck arrive on a **"Double"** worth, all multipliers at the bottom of the board double, and the puck is dropped once again, causing possibly huge payouts.

4. Crazy Time

The ultimate perk round takes players behind a red door into a surreal, whimsical virtual world including a huge, 64-segment wheel.

- Players should pick one of 3 flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever sector the picked flapper indicate when the wheel stops is the reward granted.
- The wheel includes **"Double"** and **"Triple"** sectors. If a flapper arrive at one of these, all multipliers on the wheel double or triple, and the wheel is spun again. This is where the game's legendary 20,000 x max multiplier can be achieved.

Methods and Tips for Playing Crazy Time

While Crazy Time is essentially a game of chance identified by a random number generator (RNG) and physical physics, players frequently **Play Crazy Time Free** use specific techniques to handle their bankroll and tailor their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
  - Focus heavily on betting on **1** and **2**.
  - These numbers occupy most of the wheel, indicating they hit often.
  - This method will not yield over night fortunes, but it extends playtime and keeps the bankroll reasonably steady.
- **The Bonus Hunter Strategy:**
  - Place small bets specifically on the four perk rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
  - Since perk rounds appear on only 9 out of the 54 sectors, this method requires patience and a durable bankroll, as droughts can occur. Nevertheless, it places the gamer to record the biggest payouts when the benefits struck.
- **The Balanced Approach:**
  - Cover a mix of numbers and reward rounds. For example, placing little bets on numbers to preserve your balance while wagering on particular reward video games to keep the enjoyment alive.

Finest Practices for Bankroll Management

- **Set a Budget:** Decide just how much you want to spend before you begin playing, and never ever chase losses.
- **Understand the RTP:** Keep in mind that number bets typically provide a greater RTP than bonus bets, but reward bets provide significantly greater volatility and optimum win potential.
- **Enjoy the Entertainment:** Crazy Time is a live home entertainment show most importantly. Treat any wagers as the expense of admission for an interactive show.
