How Do You Know If You're Ready For Crazy Time Slot

The Ultimate Guide to Crazy Time: The Live Casino Phenomenon That's Taking Over

In the fast-paced world of online betting, few titles manage to catch the public imagination rather like Evolution Gaming's **Crazy Time**. Released in 2020, this game show-style casino offering transformed the industry by blending standard money wheel mechanics with innovative enhanced truth, high-energy hosts, and 4 special reward rounds.

Whether gamers are skilled gamblers or curious newbies looking for interactive entertainment, Crazy Time uses an experience unlike any standard table game or slot machine. This comprehensive guide checks out how the game works, breaks down its profitable bonus offer rounds, and examines the techniques players use to maximize their sessions.

What is Crazy Time?

At its core, **Crazy Time** is a live dealer game built around a huge, vertically mounted 56-segment cash wheel. Hosted by charming presenters in a vibrant, Willy Wonka-esque studio, the video game is broadcast in real-time with high-definition video and immersive audio.

Unlike traditional casino video games determined strictly by computer system algorithms, Crazy Time relies on a human host to spin the wheel and interact with the audience through live chat. The primary objective is simple: gamers position bets on which sector the wheel will stop on. However, the addition of a Top Slot multiplier above the wheel on each and every single spin keeps the gameplay dynamic and unpredictable.

Deep Dive: The Four Crazy Time Bonus Rounds

Setting off a bonus round transports players from the primary studio into a secondary digital or physical mini-game. This is where the video game truly earns its name.

Coin Flip

This is the easiest and most regular perk round. The host steps up to a machine that turns a coin with a **Red** side and a **Blue** side.

- Before the flip, random multipliers are assigned to each side of the coin.
- Whichever color lands deal with up determines the winning multiplier for all players who bank on Coin Flip.

Money Hunt

Cash Hunt takes gamers to an enormous digital screen including a shooting gallery filled with 108 random multipliers.

- Each multiplier is concealed behind a various sign (such as a cactus, target, or chef's hat).
- Players are provided a minimal time to aim and fire a cannon at a symbol of their choice.
- As soon as time expires, the surprise multipliers are revealed, and each gamer gets the multiplier behind their picked target.

Pachinko

Influenced by the conventional Japanese arcade game, Pachinko includes a large physical board filled with pegs.

- The host drops a glowing puck from the top of the board.
- The puck bounces arbitrarily down through the pegs till it lands in one of numerous multiplier slots at the bottom.
- If the puck lands on a **"Double"** worth, all multipliers at the bottom of the board double, and the host drops the puck again for even bigger wins.

Crazy Time

The holy grail of the video game, the **Crazy Time** perk round, leads gamers behind a red door into a dynamic, surreal virtual world featuring a massive 64-segment wheel.

- Gamers should select among 3 flappers: **Green, Blue, or Yellow**.

- The host presses a huge red button to spin the wheel.
- Whichever sector the chosen flapper indicate is the multiplier the player wins.
- Much like Pachinko, this wheel includes **"Double"** and **"Triple"** sectors, which can send out multipliers increasing up to the game's optimum limitation of 20,000 x or 25,000 x.
