The Magic of the Top Slot

Above the main cash wheel sits the **Top Slot**, a small two-reel fruit machine that spins concurrently with the wheel.

1. **Reel 1** display screens one of the betting alternatives (a number or a bonus video game).
2. **Reel 2** displays a random multiplier (ranging from 2x as much as 50x).

If the horizontal line in the Top Slot lines up a bet with a multiplier, that multiplier uses to that particular outcome for the upcoming spin. If the primary wheel arrive at that result, any wins for that round are boosted by the multiplier. If a bonus offer round is triggered with a Top Slot multiplier attached, the starting multipliers inside the bonus offer video game are immediately multiplied by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time lies in its four bonus offer games. Triggering one of these rounds transports gamers from the primary studio into an unique increased truth mini-game.

1. Coin Flip

The easiest of the reward rounds. A coin with a red side and a blue side is flipped by a mechanical arm.

- Before the flip, random multipliers are assigned to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the taking part players.
- If the multipliers are low, a "Rescue Flip" can sometimes be set off, giving players another opportunity at greater benefits.

2. Cash Hunt

This bonus offer video game includes an enormous screen displaying 108 random multipliers hidden behind shooting gallery symbols (like a cactus, a *Browse around this site* target, or a duck).

- Players utilize an on-screen crosshair to intend and contend one sign before the timer runs out.
- When time ends, all symbols reveal their hidden multipliers, and the player receives the multiplier behind their selected target. Every gamer gets to pick their own spot, indicating different players can win different quantities.

3. Pachinko

Influenced by the conventional Japanese arcade video game, Pachinko includes a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs until it lands in one of the multiplier zones at the bottom.
- If the puck arrive at a **"Double"** worth, all multipliers at the bottom of the board double, and the puck is dropped again, resulting in potentially enormous payments.

4. Crazy Time

The supreme bonus round takes players behind a red door into a surreal, whimsical virtual world featuring a massive, 64-segment wheel.

- Players should pick one of three flappers: **Green, Blue, or Yellow**.
- The host spins the giant wheel.
- Whichever section the picked flapper indicate when the wheel stops is the reward awarded.
- The wheel consists of **"Double"** and **"Triple"** sections. If a flapper arrive at one of these, all multipliers on the wheel double or triple, and the wheel is spun once again. This is where the game's legendary 20,000 x max multiplier can be accomplished.

Methods and Tips for Playing Crazy Time

While Crazy Time is essentially a game of chance identified by a random number generator (RNG) and physical physics, gamers frequently utilize particular methods to handle their bankroll and customize their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
  - Focus heavily on banking on **1** and **2**.
  - These numbers inhabit the bulk of the wheel, indicating they hit regularly.
  - This method will not yield overnight fortunes, but it extends playtime and keeps the bankroll reasonably stable.
- **The Bonus Hunter Strategy:**
  - Place little bets exclusively on the 4 bonus rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
  - Because perk rounds appear on only 9 out of the 54 sectors, this technique needs persistence and a resilient bankroll, as droughts can happen. Nevertheless, it positions the gamer to capture the most significant payouts when the rewards hit.
- **The Balanced Approach:**
  - Cover a mix of numbers and bonus rounds. For example, placing little bets on numbers to maintain your balance while betting on specific bonus video games to keep the excitement alive.

Best Practices for Bankroll Management

- **Set a Budget:** Decide just how much you are prepared to invest before you start playing, and never chase losses.
- **Understand the RTP:** Keep in mind that number bets normally use a greater RTP than benefit bets, however benefit bets offer significantly higher volatility and optimum win capacity.
- **Delight in the Entertainment:** Crazy Time is a live entertainment program most importantly. Deal with any wagers as the cost of admission for an interactive show.
