What is the Cert IELTS?

The IELTS is a standardized English language test developed to evaluate the language capability of non-native speakers who intend to study or work where English is the language of communication. Co-owned by the British Council, IDP: IELTS Australia, and Cambridge Assessment English, the test is recognized by over 11,000 companies globally, including universities, companies, professional bodies, and federal government migration companies.

It is crucial to note that IELTS does not use a "pass" or "stop working" system. Rather, prospects are graded on a special **Band Scale varying from 0 (did not attempt the test) to 9 (professional user)**. Each company or institution sets its own particular band rating requirements depending on the rigors of the program or role in concern.

IELTS Academic vs. IELTS General Training

Before reserving a test, prospects should determine which variation of the Cert IELTS they need to take. While both tests evaluate the very same four core language skills, their contexts and functions vary considerably.

- **IELTS Academic:** Designed for people wishing to pursue higher education (undergraduate or postgraduate degrees) or expert registration (such as medical professionals and nurses) in an English-speaking environment. The content and tasks show academic language and settings.
- **IELTS General Training:** Tailored for those moving to English-speaking countries (such as Canada, Australia, New Zealand, and the UK) for secondary education, work experience, or training programs. The tasks focus on everyday social and workplace contexts.
