- Before the flip, random multipliers are designated to each side of the coin.
- Whichever color lands deal with up figures out the winning multiplier for all players who wager on Coin Flip.

Cash Hunt

Cash Hunt takes gamers to a huge digital screen including a shooting gallery filled with 108 random multipliers.

- Each multiplier is concealed behind a various symbol (such as a cactus, target, or chef's hat).
- Players are given a limited time to goal and fire a cannon at a sign of their choice.
- When time ends, the covert multipliers are revealed, and each gamer gets the multiplier behind their picked target.

Pachinko

Inspired by the standard Japanese arcade game, Pachinko includes a large physical board filled with pegs.

- The host drops a radiant puck from the top of the board.
- The puck bounces arbitrarily down through the pegs up until it lands in among a number of multiplier slots at the bottom.
- If the puck lands on a **"Double"** value, all multipliers at the bottom of the board double, and the host drops the puck once again for even bigger wins.

Crazy Time

The holy grail of the video game, the **Crazy Time** benefit round, leads players behind a red door into a lively, surreal virtual world featuring an enormous 64-segment wheel.

- Gamers should choose among three flappers: **Green, Blue, or Yellow**.
- The host presses a giant red button to spin the wheel.
- Whichever sector the picked flapper points to is the multiplier the gamer wins.
- Much like Pachinko, this wheel includes **"Double"** and **"Triple"** segments, which can send out multipliers increasing as much as the video game's optimum limitation of 20,000 x or 25,000 x.
