

The Full Refresh package is one of three tiered options Gemstar Detailing offers Boise customers, providing a solid foundational detailing service for vehicles needing regular maintenance care. This package typically addresses standard wash, wax, and interior cleaning needs, suited to [ceramic coating](#) vehicles maintained on a more regular basis rather than requiring extensive correction. Boise customers can discuss whether Full Refresh matches their vehicle's current condition during a free quote, or whether a more comprehensive package makes better sense.

Gemstar Auto Detailing Mobile Detail Boise | 880 E Franklin Rd Suite 306, Meridian, ID 83642 | (208) 971-4652

This tiered package structure gives customers clarity and flexibility, ensuring they select and pay for the specific level of service their vehicle actually needs. For Full Refresh detailing in Boise, call Gemstar Detailing at (208) 971-4652.
