A Closer Look at the Four Bonus Rounds

One of the primary factors players look for the Crazy Time demo is to understand the complex reward rounds. In the live video game, these are where the most significant multipliers are hidden. Practicing in demo mode helps gamers learn what to expect during these stages:

1. Coin Flip

A simple 50/50 video game where a coin with a red side and a blue side is turned by a device. Each side is assigned a random multiplier before the flip. Whichever side lands deal with up wins for the gamer.

2. Cash Hunt

A huge interactive shooting gallery screen including 108 random multipliers hidden behind various symbols. Gamers use a virtual crosshair to aim and contend a sign, exposing their covert multiplier.

3. Pachinko

Inspired by the traditional Japanese arcade video game, a puck is dropped from the top of a glowing wall filled with pegs. The puck bounces down until it lands in a slot at the bottom, which awards a matching multiplier (or a "Double" slot, which doubles all values and activates another drop).

4. Crazy Time

The ultimate bonus offer round. The host opens a red door leading to an enormous virtual wheel behind the main set. Players choose among three flappers (Green, Blue, or Yellow). The wheel spins, and wherever the selected flapper lands determines the multiplier payment, which can rise to 20,000 x!
