Breakdowns happen on https://masaimarasafaripackages.net/group-joining-safari/ rough tracks. A reputable operator carries a spare tyre, tools and radio contact with other vehicles.

Expect delays of an hour or more in remote areas. Carry water and masai mara group joining safari sun protection in the vehicle.

Guides should call for a replacement vehicle rather than attempting long repairs in the bush. Ask about fleet size and radio coverage before booking. Operator standards are at %LINK%.
