- **Understand the Rules:** Never play a game you don't comprehend. Take advantage of "demo modes" to find out the mechanics of slots or table video games before wagering genuine money.
- **Prevent Chasing Losses:** If you hit a losing streak, accept it and walk away. Trying to win back lost money usually results in bigger losses.
- **Take Breaks:** Set a time frame for your video gaming sessions. Continuous play can cause fatigue and poor decision-making.
