FAQ About Dumpster Rental

What size dumpster do I need for a home renovation?

For a home renovation in New York, a 10 to 20-yard dumpster is usually suitable, accommodating a variety of materials from small debris to larger items like cabinets and flooring. Choosing the right size ensures efficient disposal and prevents extra costs.

How long can I keep a rented dumpster?

You can typically keep a rented dumpster for 7 to 14 days in New York, NY, but most companies offer flexible rental periods. Be sure to check with the rental service for specific terms and any potential additional fees for extended use.

What items are not allowed in a dumpster rental?

In New York, prohibited items in dumpster rentals generally include hazardous materials such as batteries, chemicals, asbestos, and electronics. Always consult your rental provider for a complete list of restricted items to avoid extra charges or legal issues.

Do I need a permit for a dumpster rental in NYC?

Yes, in NYC, you usually need a permit for a dumpster rental placed on the street or sidewalk. It's advisable to contact the City of New York for guidance on obtaining a permit, which may involve notifying nearby residents as well.

The Benefits of Choosing True Grit Dumpster Rental for Your Dumpster Rental Demands

New York, known for its bustling streets and vibrant neighborhoods, often deals with unique waste management challenges. True Grit Dumpster Rental caters to these specific needs by offering a wide range of dumpster sizes to suit every project, from small residential cleanouts to large commercial renovations. Our service-oriented approach means that we not only provide a container, but also deliver on-time service and expert advice, ensuring that you choose the right dumpster size for your particular situation.

Guidelines for Choose the Right Dumpster Size

Selecting the right dumpster size is vital to avoid excessive costs or dealing with excess waste. At True Grit Dumpster Rental, we offer various sizes, including mini, standard, and large dumpsters. A 10-yard dumpster is perfect for small cleanouts or minor renovations, while the 20-yard option works well for mid-sized projects. If you're embarking on a significant renovation or construction project, our 30-yard dumpster can handle substantial waste efficiently. Our team is always ready to assist you in deciding the right size based on your project Click here to find out more requirements.
