FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Fresno allow you to keep a rented dumpster for 7 to 10 days. However, you can often extend the rental period for an additional fee. It's important to clarify this with the rental company at the time of booking.

What size dumpster do I need for a home renovation project?

For a home renovation project in Fresno, a 10 to 20-yard dumpster is usually adequate. A 10-yard dumpster is suitable for smaller projects, while a 20-yard dumpster can handle larger renovations. Assess your project's scope to choose the right size.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials, tires, appliances, and electronics. Each dumpster rental company in Fresno may have specific restrictions, so it's essential to check their guidelines to avoid extra fees or penalties.

Do I need a permit for a dumpster rental in Fresno, CA?

In Fresno, a permit may be required for dumpster rentals placed on public streets or sidewalks. However, if the dumpster is placed on private property, a permit is generally not needed. It's best to consult with your rental company to determine if a permit is necessary for your situation.

Choosing the Right Size Dumpster

At Frontline Dumpster Rental, we provide a selection of dumpster sizes, including 10-yard to 40-yard containers. When **Dumpster Rental near Fresno** deciding on a dumpster rental, it's important to assess the scope of your project. A small home renovation might only require a 10 or 15-yard dumpster, whereas a major commercial construction site might necessitate a 30 or 40-yard option. Our knowledgeable staff can help you decide the appropriate size, ensuring you avoid extra trips to the landfill during your clean-up.

Streamlined Waste Disposal Process
