FAQ About Dumpster Rental Service

What is the average cost of dumpster rental in Fort Collins, CO?

The average cost of dumpster rental in Fort Collins, CO typically ranges from \$300 to \$600, depending on factors like the size of the dumpster, rental duration, and type of waste being disposed. Some companies may offer flat fees, while others might charge extra for longer rentals or heavier loads.

How long can I keep a rented dumpster?

Most dumpster rental companies in Fort Collins allow you to keep the dumpster for a rental period of 7 to 14 days. However, it's best to check with your specific provider as policies may vary, and extensions can often be arranged for an additional fee.

What can I put in a dumpster rental?

In Fort Collins, CO, you can typically place construction debris, household junk, yard waste, and some appliances in a rented dumpster. However, hazardous materials such as paints, chemicals, and certain electronics are generally prohibited. Always confirm with the rental company for a complete list.

Do I need a permit for a dumpster rental in Fort Collins?

In Fort Collins, you may need a permit for a dumpster rental if it will be placed on a public street or sidewalk. Regulations can vary by location, so it's essential to check with the city's public works department or your rental company for specific requirements.

How do I choose the right size dumpster?

Choosing the right size dumpster for your project in Fort Collins depends on the volume of waste you expect to generate. Common sizes range from 10 to 40 cubic yards. For small home cleanouts, a 10-15 yard dumpster is often sufficient, while larger renovations may require a 20-30 yard option.
