FAQ About Dumpster Rental

What is the average cost of dumpster rental in San Jose, CA?

The average cost of dumpster rental in San Jose typically ranges from $300 to $600, depending on factors like the size of the dumpster, rental duration, and type of waste being disposed of. It's important to compare prices and services from multiple providers to get the best rate.

How long can you keep a rented dumpster?

Most dumpster rental companies in San Jose allow you to keep the dumpster for a period of 7 to 14 days. However, options for extended rentals are often available for an additional fee. It's best to confirm the rental terms with your provider.

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 20 cubic yard dumpster is usually ideal, depending on the project's scale. A 10-yard dumpster can handle smaller projects, while a 20-yard is suitable for larger renovations or multiple rooms.

What items are prohibited in a dumpster rental?

Common prohibited items in dumpster rentals include hazardous materials like chemicals, batteries, electronics, and tires. Each rental company may have specific restrictions, so it’s crucial to check their guidelines to avoid additional fees or fines.

Do I need a permit for dumpster rental in San Jose?

In San Jose, a permit may be required for placing a dumpster on public property, such as streets or sidewalks. It's advisable to check with the local municipal office or your rental company to ensure compliance with city regulations.
